<p>Jakarta –Sarulla Operations Ltd. (SOL) terus memantau perkembangan situasi terkini terkait pandemi COVID-19. Upaya aktif pencegahan penyebaran dan penanggulangan virus corona ini telah dilakukan oleh SOL semenjak awal Maret, setelah kasus positif pertama di Indonesia diumumkan oleh Presiden Joko Widodo.</p> <p><i>V.P External Relations and Corporate Counsel</i> SOL Rangga Wirapasa mengatakan bahwa "SOL sangat mengapresiasi langkah - langkah pencegahan penyebaran dan penanggulangan pandemi COVID-19 yang telah ditetapkan oleh Pemerintah Pusat maupun Pemerintah Tapanuli Utara. Sehubungan dengan dikeluarkannya Peraturan Menteri Kesehatan No. 9 Tahun 2020 terkait Pedoman Pembatasan Sosial Berskala Besar, SOL termasuk ke dalam salah satu industri "Pembangkit Listrik" yang tetap diwajibkan untuk terus beroperasi, selalu berupaya untuk memaksimalkan pencegahan penyebaran dan penanggulangan COVID-19 terhadap seluruh pemangku kepentingan.</p> <p>Manajemen perusahaan telah menerapkan sejumlah kebijakan dan prosedur yang ketat terhadap pihak internal (karyawan) maupun eksternal yang akan masuk ke wilayah kerja perusahaan di Tapanuli Utara dengan mengikuti protokol kesehatan, keselamatan dan keamanan, agar kami dapat memastikan pasokan listrik tetap stabil demi kebutuhan masyarakat secara umumnya dan masyarakat Sumatera Utara pada khususnya di tengah pandemi ini. Kesehatan dan Keselamatan karyawan dan segenap pemangku kepentingan adalah prioritas utama Perusahaan.</p> <p>Sebagai salah satu bentuk sinergi dengan Pemerintah Tapanuli Utara, SOL telah memberikan kontribusi sejumlah alat pelindung diri untuk garda terdepan dalam pencegahan dan penanggulangan pandemi COVID-19. Kami berharap agar pandemi ini segera berakhir dan seluruh masyarakat selalu diberikan kesehatan"</p>	<p><i>Jakarta - Sarulla Operations Ltd. (SOL) continues to monitor the status of the current situation related to the COVID-19 pandemic. SOL has been active in taking its part to prevent the spread and countermeasure of the corona virus since early March, after the first positive case in Indonesia was announced by President Joko Widodo.</i></p> <p><i>V.P External Relations and Corporate Counsel</i> SOL Rangga Wirapasa said that "SOL really appreciates the steps to prevent the spread and countermeasures of the COVID-19 pandemic that has been determined by the Central and the North Tapanuli Government. In connection with the issuance of Minister of Health Regulation No. 9 of 2020 related to the Guidelines for Large-Scale Social Limits, SOL is included in one of the "Power Plant" industries which is still required to continue operating, always striving to maximize the prevention of the spread and control of COVID-19 to all stakeholders.</p> <p><i>SOL management has implemented certain policies and strict procedures for internal (employee) and external parties that shall enter the company's work area in North Tapanuli by following health, safety and security protocols, so that we can ensure the electricity supply remains stable for the needs of the public and particularly the public in North Sumatra during this pandemic. The health and safety of employee and stakeholders is the utmost priority of the Company.</i></p> <p><i>As one form of the synergy with the North Tapanuli Government, SOL has contributed a number of personal protective equipment to the front-line in preventing and countermeasures the COVID-19 pandemic. We hope that this pandemic will end soon and the whole community is always in a health condition "</i></p>
